Falcons Crossing the Golden Gate Bridge

Photo by Alex Gerrits

JUNE 2003

Golden Gate Chapter Vice President Alex Gerrits took this cover photo while at the wheel of his 1963½ Sprint convertible, following FCA Board Member Al Aiello in wife Lois' 1964 V8 Sport Futura across the Golden Gate Bridge in San Francisco. In the rear view mirror, one can see Pacific Regional Director Ray Johnson at the wheel of his 221 equipped 1963½ Sprint convertible.

The photo was taken during the "ten Bird strong" Marin Headlands Cruise held by the Golden Gate Chapter. These three drivers are also members of the Sonoma County Falcons for Fun. The cruise began at the Hyde St. pier in San Francisco, proceeding North across the bridge to the Marin Headlands for a delicious barbecue picnic at Fort Kronkite.

Is your chapter planning an outing, cruise or special event?

Send photos with a self addressed stamped envelope if you want them returned. Include a few paragraphs about your chapter and their Falcons and send to the Editor at the address on this page. Digital files: Send hi res JPEGs that will convert to 300 dpi at 4x6 inches on disk or CD.

See Photo Contest Call for Entries on page 16.

THE FALCON CLUB OF AMERICA, INC. is a nonprofit organization dedicated to preserving the FALCON Automobile built by the Ford Motor Company from 1960 to 1970. The FCA was founded by Roy Sword in 1979 and is incorporated under Arkansas state law. Yearly dues to The Falcon Club of America are \$25.00 (\$30.00, payable in U.S. funds outside the United States) and are payable to: The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72078-0113. The Falcon National News is published monthly with information from its members. All copy and advertising for The Falcon News should be sent to the Editor, Wendelyn Crosby, 16318 Riggs Rd., Stilwell, KS 66085. Please mark "FCA" on outside of envelope. E-mail address: WCrosby63@earthlink.net

NOTE: The club will send a notice to each member the month before membership expires. Be sure to send your renewal in early to retain your original membership number. If you do not renew your membership within 90 days after it has expired, your membership number will be placed in the inactive file and will no longer be used by the club. See renewal date on mailing label.

President's Message

A good club, like a good engine, is a collection of many parts that all work together. Every part is critical to the success of the whole. One of the key parts to the Falcon Club of America is the newsletter. We are very fortunate to have an excellent, awarding winning newsletter.

Our editor, Wendy, continues to deliver a first class product each and every month. Thank you, Wendy! But, Wendy can't do it all alone. She needs the help of the vendors, members, and Bill's Printing for ads, articles, tech tips, pictures, calendar events, and printing. The creation of the newsletter is a creative and time consuming task.

The FCA also has many talented local editors that produce great chapter newsletters. Let's share those enjoyable chapter newsletters so they can be enjoyed by others by adopting a "pen pal" chapter editor and swapping newsletters. What a wonderful way to share Falcon fellowship across the country.

The next time you see Wendy or a local chapter editor, please express your appreciation for their hard work with a big "Falcon" Thank You!

Steve & Carol

Letters to the Editor

Wendy, I just found your website address (www.wcrosby.com) in this month's National Falcon News. After a thorough tour of your website, I now realize why The National Falcon News is such high quality in every respect. Thanks for sharing it with us.

Joe Nance, FCA Member

Dear FCA Editor:

I have decided not to renew my membership to my local FCA chapter. There are two main reasons for this.

As a new member, I thought people might reach out to new members. My wife and I got the cold shoulder and an extremely unpleasant, clique-like attitude when we tried to approach or socialize with longtime chapter members at club events. Very few people went out of their way to extend fellowship or include new members into the fold. I watched as other new members were treated as outsiders also. A definite "good old boy" attitude prevailed.

I also expected that the chapter would focus on driving our Falcons and helping each other with technical issues. This chapter only held monthly meetings and planned very few outings or car-related activities.

The National Club makes a big deal out of "Falcons, Family, and Friends." Perhaps this could be reflected on the local chapter level, as the future of the FCA rests with building membership.

Name withheld by request

**Is Your Address Changing?
Need to renew your membership?
Not receiving your newsletter?**

Please address all membership concerns and questions to Ruby Throgmorton, Corresponding Secretary. Find her address in every issue of the Falcon National News or email: RubyRTFCA@aol.com. Please DO NOT send address changes to the Editor.

Welcome to Texas! 24th Annual FCA National Convention

Hello everyone,

The time is getting near for the 24th annual FCA National. We, the Heart of Texas Chapter want to personally welcome you to Texas. There are some great things planned for you. Great door prizes for men and women, great goodie bags and the best Texas hospitality.

Thursday the 17th, at 2:00 PM, there will be a tour of AER. On Friday the 18th, at 7:00 AM, we will be at the Texas Motor Speedway for you to drive your Falcons on the track. Friday night we will be having a Texas HoeDown with a live County & Western Band and a dance floor for those of you who would like to kick up your heels. Saturday will be voting day and Saturday night the Banquet with a Barbecue Buffet.

There will be lots of time in-between for those of you who would like to visit Six Flags Over Texas, Hurricane Water Park, Antique Mall & Tea Room and the beautiful Ball Park in Arlington, home of the Texas Rangers Baseball Team. The Rangers will not be playing at home, but the Ball Park is a must-see. It is one of the most beautiful ballparks in the country and tours are open to the public. The Front Row Grill restaurant is a great place to eat and the view is awesome.

The Hilton Hotel offers free shuttle service and there is a free trolley to take you to all of these places. There are many restaurants all around the hotel which offer fabulous food. The hotel has an indoor/outdoor swimming pool, exercise room, great restaurant and much more.

So, if you haven't registered or reserved your room at the Hilton yet please do so. You wouldn't want to miss out on the fun, the Texas hospitality and all the Falcon people that will be there. Please visit our website at www.falconclub.net to see who is already registered and coming.

I want to thank all of the Chapters that have sponsored a class or given a donation to the 2003 National. Without the chapters and members we wouldn't have a Falcon Club of America and nothing to look forward to year after year.

If you have any questions, suggestions or concerns please contact me and I will be more than happy to help you in any way.

The Heart of Texas Chapter is going to be very excited to see all of you in July! Have a safe and happy trip.

WELCOME TO TEXAS!

Linda Fralicks & the Heart of Texas Chapter

How to Advertise in The National Falcon News

Email your classified ads to: wcrosby63@earthlink.net

VERY IMPORTANT! Please punctuate and capitalize correctly. The time saved by email is wasted when I have to edit and correct every word of the message. See example below. Many thanks to those observant folks who read the ads, see how they are formatted, then send in their ad to fit the formula. This is a great timesaver.

WRONG: ' 64 ford falcon futura fr sale .sum rust on flr pans , needs restored ,xclnt glas and trim. \$ 2000.00 o .b .o . call joe falcon at (555)-555 5555 or email me at 123falcon.com. Eastm pennsylvania

RIGHT: 1964 Falcon Futura. Some rust on floor pans. Needs restoration. Excellent glass and trim. \$2000 OBO. Joe Falcon, 555-555-5555 or 123falcon.com. PA.

To Advertise: FCA members are entitled to two free ads per issue (limit 50 words per ad). Each ad must appear in a different section of the Classified Ads. Additional ads per category are \$10. each. The FCA will not be held responsible for errors (legitimate errors will be corrected in the next issue when requested). All ads for the classified section must include a members name, location and FCA # to be considered a free ad. All items advertised for sale must have a price. **Ads to run in more than one issue must be resubmitted each month.** Non FCA member ads are \$10.00 ea. Ads must follow the same guidelines as member ads. Picture ads will be an additional \$20.00 per picture. Payment must accompany the ad, with check payable to the Falcon Club of America. **All ads must be sent by mail or e-mail to the Editor, Wendelyn Crosby, 16318 Riggs Rd., Stilwell, KS 66085. NO PHONE CALLS OR FAXES FOR ADS — NO EXCEPTIONS!** If you have Internet access, please email ads to WCrosby63@earthlink.net Ads must be received by the **first of the month for the following month's** issue. The FCA reserves the right to refuse advertising from any person or business.

**ALL ADS MUST INCLUDE YOUR LOCATION.
IT'S GOOD TO KNOW WHAT TIME ZONE YOU'RE CALLING.**

Roger Kreiter Made His Own

oger Kreiter is a member of the FCA and own a 1963 White Futura Convertible. Here is his story:

"I bought the car new in Ohio and drove it to my first job in northern California after college graduation. I then returned to the east with the car to live in the Valley Forge, PA area. After retiring my Falcon to the garage for about 15 years, I finally got it back on the road last summer.

Ever since I've owned this car, I have searched hobby stores for a

plastic model of a Falcon, with no success! I did run across a model of the 1961 Falcon Ranchero by AMT/ERTL which I built and painted red. Then I decided to buy another kit of the Ranchero and modify it to my 1963 Falcon Convertible.

This turned out to be a real challenge, since I found that the only parts I could use from the original kit were the basic body, undercarriage, dashboard, steering wheel and column, rear bumper and rear tail lights. Other parts needed to be altered (front bumper and floor board).

Of course I had to saw away the Ranchero top, most of the floor board, and clear windshield. Almost the entire interior was made from scratch using basswood, cardboard, lead and tin foil. I even used some black fabric for the carpet floor! The convertible boot is made from copper foil; I made small impressions for the snaps. The biggest challenge was altering the back end from a pick-up shape to the normal trunk shape. This took some filing and wood filler material plus a thin sheet of plastic to form the trunk lid. Part of the 1961-style front bumper and all of the grille

had to be sawed away. I made my 1963 front grille from small pieces of plastic and thin wire. The visors were made from cardboard, and the mirror from lead and lead foil. The side and rear trim were made from thin art tape-silver and black. Finally, the trunk key and front fender ornaments were made from small pieces of lead and painted. I also had to buy another car kit to obtain some regular tires for my model, since the original kit had fat custom tires. The rear license plate is my first, issued in California.

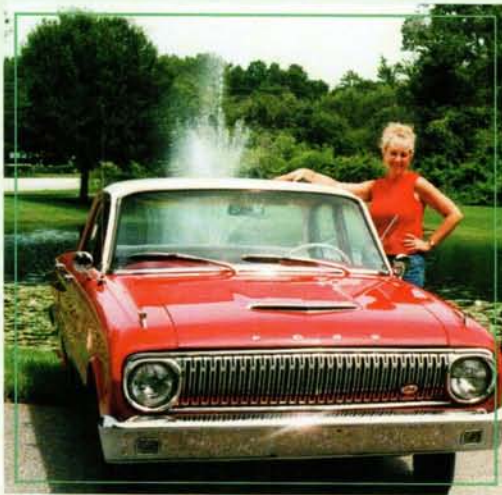

I had a lot of fun with this project which took about six weeks."

Henry Delpico's 1962 Deluxe Sedan

When Henry Delpico was 17, his first car was a 1969 AMC Javelin 3 speed. He lived a block away from a neighbor who had a Ford Falcon.

"Each and every morning on my way to work, I would rumble by his house and gaze longingly at his Ford Falcon. There was something about it that I admire it so much."

At 17 in 1976, the 1962 Falcon looked like a vintage car to me. As the years rolled by, the 1962 Falcon

always brought a smile to my face. The rest is history. My car is a 1962 four door deluxe with all the goodies. A 170 CID engine, automatic, electric wipers, radio, lots of chrome, the works!"

Henry relocated from Miami to Orlando a few years ago and tries to attend a show at least once a month. He has attended National Meets in Charlotte and Orlando and "Red Ruby" has taken First Place in both cities.

"At Charlotte, I am the one being pulled by a white van on the website. The Falcon Club of America has always tried to make everyone feel part of this club and have succeeded."

Second National Falcon Photo Contest—Call for Entries

The Falcon National News is calling for entries in the Second National Falcon Photo Contest.

ENTRIES

Conventional prints and digital photos will both be considered (no slides, please). Digital photos **MUST** be sent on zip disk or CD. **No email attachments will be considered due to the long download time.** All digital photos must be high resolution JPEGs, 300 dpi at 4x5 inches or larger. Please send along a color copy of the digital file so we can see what it should look like. Please put your name and address on the back of all prints (address labels work great for this purpose) as the entries will be mixed up during judging. Please indicate the year and model of your Falcon.

Be sure to write at least a few paragraphs about yourself and the car; entries including text will receive preference during judging. Longer stories with several photos or photos including people will also receive preference during judging. Send all photos to the Editor at the address on page 2. Mark envelope "FCA Photo Contest." Include a self addressed stamped envelope with sufficient postage if you want your photos returned.

PHOTO TIPS

Photos should be well exposed without areas of heavy shadow or distracting backgrounds. Overcast days are perfect for even lighting. When composing your photos, remember that the cover is vertical, while cars are basically horizontal. Be sure to include the entire car in the photo, with some "breathing room" on all sides.

DEADLINE

All entries must be received by January 1, 2004. The First Place Winner will appear on the front cover of the June issue in 2004. Photos not used on the covers will be used elsewhere in the magazine.

Scout out a picturesque and unique location for your Falcon and make a memorable photograph for the front or back cover of The Falcon National News.
